FLORIDA STATE UNIVERSITY

PRESIDENT'S TASK FORCE ON ANTI-RACISM, EQUITY & INCLUSION SUBCOMMITTEE ON CAMPUS CLIMATE

OBJECTIVES

- To acquire formal data/assessment about the experiences of our diverse community members – students, faculty, and staff – once they arrive on campus. The sub-committee will review and recommend a climate survey to be administered to faculty and staff.
- To develop a means of collection, maintenance, access, and review of data centrally so that the University can easily map the progress in this area.
- To articulate a set of concrete, achievable actions that will make Florida State a more diverse and inclusive community in which a wide range of experiences and views are represented and all individuals are valued and treated with respect.
- To recommend a series of programmatic events focusing on anti-racism, equality, and inclusion involving individual colleges and engaging with the Tallahassee community at large. Programs featuring inter-institutional events with Florida Agricultural and Mechanical University would be especially appropriate.
- To partner with the Florida State University Police Department to administer anti-bias training to officers and establish a Community Relations liaison within the force. Additionally, the University will continue to support a FSU student representative to be appointed to the Tallahassee Police Department Community Review Board.
- To craft a plan for working in tandem with the History Department in creating a First-Year Experience learning module involving race, ethnicity, and diversity to be implemented during the 2021-22 academic year. Such a module might involve a series of workshops, symposia, and/or lectures centering on a recent publication dealing with race or ethnicity, and include presenters from Florida State, Florida Agricultural and Mechanical University, or from other institutions. Events might culminate with an address from a nationally or internationally recognized speaker in conjunction with the annual Dr. Martin Luther King, Jr. Program or the Golden Tribe Lecture Series.
